Tropical fruity

Predominantly boozy

Made using sustainable ingredients

HANGOVER DISCLAIMER

We take your well-being seriously, even if you may not. While our cocktails are designed to provide an unforgettable experience, we feel obligated to address the 'unexpected' consequences of excessive drinking. But fear not, we are here to help. Introducing our exclusive 'Hangover Remedy' - 4 steps of self-pity and self-care that will help you bounce back after a wild night at Gejser.

"The Hangover Deduction"

Okay... We take some of the responsibility. One free 'Hangover Shot' to relieve headaches and trembling hands (This offer does not apply during business meetings and family gatherings, here everyone has to fend for themselves).

"Rehabilitation for the Dance Floor"

Grab Gejser's filthy naughty dirty iced coffee, sink into the comfy seat, and listen to ridiculously good bangers. You'll be as good as new in no time.

"The Dressing Recipe"

Vegetable-state-day on the couch wearing as little as possible, with pizza and guilty pleasure movies. (Of course, this is homework for tomorrow)

"The Ever-Extended Hand"

A reliable friend for encouragement, motivational quotes, and the deliverer of an overly large McDonald's order.

GEJSER'S FRIENDS

These miracle workers are partially responsible for our cocktails tasting amazing!
